Hypersil GOLD columns

Consistency you can rely on, results you can trust

Achieve precision and reliability with Thermo Scientific™ Hypersil™ GOLD columns

- Outstanding peak symmetry
- Excellent lot-to-lot reproducibility
- Broadest range of column formats for sub-2 µm particles

Accucore columns

Resolve all your impurities without feeling the pressure

Experience UHPLC-level performance even with HPLC systems that have limited pressure capabilities.

- 14 distinct chemistries
- Long history of innovation and expertise in HPLC SP development, and method development/transfer.

Don't see what you need? We would be happy to discuss your specific requirements. Please contact your local sales representative for more information about other Thermo Scientific branded products.

*Terms and Conditions: Promotion valid only for customers currently who purchase qualifying Thermo Scientific™ consumables through Scantec Nordic during the promotion period of Oct15th- 18th of Dec 2026. The offer is limited to one (1) qualifying purchase per customer during the promotion period and is not valid on prior purchases. Shipping, handling, taxes, and other applicable fees are excluded. The offer is non-transferable, has no cash value, and may not be combined with any other promotion, contract pricing, special pricing, or discount. Purchases must be made directly through Scantec Nordic only, another authorized sales representative or thermofisher.com orders do not qualify. To redeem this promotion or to confirm eligibility requirements, please contact your authorized Scantec Nordic sales representative. Promotion valid through Dec. 18th , 2026, or until supplies last, and is subject to applicable laws and local regulations. Void where prohibited. Thermo Fisher Scientific, along with Scantec Nordic reserves the right to modify, suspend, or terminate this promotion at any time without prior notice. Additional restrictions may apply.
